

In-Kind Donations for the Conference

Promote your brand in front of potential customers and support NACE by showcasing your brand, products, or services in action.

If your donated product is affirmed, your company will receive the following recognition

- Logo on signage where products or services are utilized
- Logo listing and link in the conference app and website
- Access to conference photography that showcases your product or service
- Recognition in a post-conference thank you email to entire NACE membership contact list

To qualify for additional benefits, your product or service must meet the following qualifications

- Donation of products and services must be finalized and accepted by NACE at least 21 days prior to the conference
- Donation exceeds \$3000 in value
- Product or service is essential to the production of the event
- Product or service cannot be functionally equivalent to those available from the hotel or venue
- Donation must be approved by the NACE Executive Director

Benefits may include one of the following if your product or service meets these requirements

- One (1) year of NACE Membership
- One (1) social event discount (50% off depending on event and value, excludes Foundation of NACE event)

In-Kind Donations for the Conference

Donation Conditions

If your product or service is approved, please note that registration or special event tickets to the conference are not included. All donors will be responsible for all associated costs of their donation, such as food and beverage, venue rental, valet, parking, liability insurance, labor, electricity, rigging, shipping, or other expenses incurred with the donation. Donors are responsible for getting their products to and from the conference space. Staff who are working the event, such as servers, DJ, talent, entertainment, labor, or photographer will be provided wrist bands to work the event. NACE is not liable for breakage or damage to your donated product, unless agreed to under a separate contract.

NACE may consider additional benefits for the following donated products or services

- Food and beverage
- Audio visual lighting and labor or production services
- Musical entertainment or DJ services
- Photography services
- Design services
- Stage décor
- Printed materials or signage
- Glass or acrylic awards for award winners
